Subject: Streetscape History and Art Advisory Committee (SHAAC) – Granite Paver Location – Michael Goodwin

The Issue

Shall the City Council approve the Michael Goodwin granite paver language and the location in front of the State Theater?

Conclusion and Recommendation

Staff recommends that the City Council, by **MOTION**, approve the text for the Michael Goodwin granite paver and the location in front of the State Theater and authorize the Director of Public Works to coordinate the construction of the granite paver.

Background

In January of 2013, the Streetscape History and Art Advisory Committee (SHAAC) presented City Council with recommendations for two granite tiles, one of which was for Auburn Symphony Music Director Michael Goodwin. The Auburn Symphony League has proposed language for the granite paver (see attached). Additionally, the location of the granite paver is proposed to be situated in front of the State Theater in the Arts Zone. Costs for the project include the granite paver, engraving and sawcutting of the existing concrete and installation and will be paid for entirely by the Auburn Symphony League.

Alternatives Available to Council

1. Approve recommended location.
2. Modify/revise proposed paver language.
3. Other action deemed appropriate by Council.

Fiscal Impact

Funding for this project would be paid entirely by the Auburn Symphony League. The cost is \$697.50 (see attached proposal).
